Hi, my name is Ivan, and I'm a motiondesigner with a technical passion such as scripting and procedural thinking. I have experience in TV production, commercials and little touch of VR game production. I'm very proud to be able to share my experiences with the students of SŠUD.

Work experience

Motionhouse s.r.o. – (1/2018–today)
senior motion designer

SŠUD, (9/2019–6/2022)
teacher of the motion design

freelance – (7/2015–12/2017)
motion designer, cinematographer

Česká televize – (11/2013–10/2015)
*TV graphic operator, junior
motion designer*

Strongest skills

2D Animation (After Effects)
After Effects Extended Script/JavaScript
Video Editing (Adobe Premiere)
VFX, postproduction (After Effects)

Basics/actively learning

3D (Blender, Houdini, C4D)
Game engine (Unity, C#)
JavaScript, Python
